Minutes for April proposed by Sheena, seconded by Scott and accepted.

This was a special meeting chaired by Lesley Riddoch. The three newly elected councillors were all available to discuss issues in Dundee City Center. The three newly elected councillors are: Elizabeth Fordyce, Ken Lynn, and Joe Morrow. Lesley tried to get all the parties to discuss issues. The main issue discussed was the fly tipping behind Peter Street. After several hours it was discovered that cooperation between the political parties and progress in getting things accomplished will be an ongoing problem in Dundee.

Next meeting the Dundee City and Harbours Community Council AGM June 21st, 2007.
