

# Dundee City Centre and Harbour Community Council

Minutes from December 20<sup>th</sup>, 2007.

## Apologies

Joe Morrow

Ken Lynn

## Attending

Angie Hastie

Jill Darling

Rene Culley

Sheena Wellington

Scott Milne

Brian Massie

The record of the previous meeting was proposed by Brian and seconded by Rene.

Transport Issues - All to email Jill with a list of any transport issues such as crossings, buses etc. Jill to send this on to Neil Gunn in due course.

Scott to instruct Brian on how to maintain the website.

We are waiting to hear back from Fraser MacPherson regarding the Tay Bridge Digital TV aerial issues – it has been suggested that only a limited service would be provided when the service is instated.

Angie has provisionally booked the Maryatt Hall for the Open Day in March – but this needs to be confirmed with the group and with the Marrayat Hall who have other potential bookings for the same date. The suggestion is for a info gathering session from 10am-2pm, correlation of ideas from 2-6pm, followed by a public session from 7-9pm. Lesley Riddoch has indicated to Sheena that she would be willing to chair the public session if the date suits.

Scott to email People and Planet (Dundee University student environment and social justice group) to mention DCCHCC.

LIDL – Angie reported that she had contacted Douglas Marshall, the development officer with LIDL. The latest update is that a private negotiation is currently taking place between LIDL and the Overgate Centre owners. As the negotiations are between two private companies, no other information can be gathered at this time. LIDL have said that they are keen to stay in the area.

Next meeting: 7pm Thursday, January 17th, 2008 at Wellgate Library Conference Suite.
